of
ABERTAY DUNDEE

4th August 2003

To whom it may Concern

This is to certify that the University of Abertay Dundee has appointed The International Education and Training Advisory Centre, New Delhi (hereinafter referred to as TIETAC) as a Consultant for the development of Collaborations with Indian Institutes of Higher Education.

As part of the Consultancy, Joe Victor, Chief Adviser, TIETAC and his team will undertake to identify Five suitable organizations in India which are running Undergraduate courses in Biotechnology (or related Bioinformatics) and who would wish to articulate their courses with courses at Abertay (by suitable it is meant that the organizations can be considered to be producing, or will produce, graduates who would be equivalent to graduates from a UK University in terms of their level of intellectual training).

TIETAC will undertake the Consultancy in accordance with the Consultancy Brief provided to them as per the Confidentiality Agreement signed between the University and TIETAC.
